FIELD TRIP DESCRIPTIONS

Wanpaku Land
(Week 1 / 7:45 - 17:30 Tuesday, 21 June)

Wanpaku Land is a very large park with a small petting zoo and an area for the children to go for pony rides. There is a large draw bridge and a park area. It is located in Odawara, Kanagawa.

Tokyo Disneyland
(Week 1 / 7:45 - 17:30 Thursday, 23 June)

There are only five Disneyland parks in the world and one of them is here in Japan! Come join the Youth Center on their trip to the magical World of Disney. Take a ride on Splash Mountain or check out Japan's newest MONSTERS, INC. attraction.

Check out their website (English)
http://www.tokyodisneyresort.co.jp/en/tdl/index.html

Ueno Zoo
(Week 2 / 8:30 - 16:30 Tuesday, 28 June)

Ueno Zoo was established in 1882, Ueno Zoo is the oldest zoo in Japan. It has grown over the years, expanded its area, and been a forerunner in the Japanese zoo world. Ueno Zoo plays an essential role in wildlife conservation and public education. In an effort to breed endangered species, the zoo has completed the "Gorilla Woods" and "Tiger Forests".

Check out their website (English)
http://www.tokyo-zoo.net/english/index.html

Tokyo DisneySea
(Week 2 / 7:45 - 17:30 Thursday, 30 June)

Take a trip to the magical world of Disney at Tokyo DisneySea! This park has seven themed ports: the Los River Delta; Port Discovery; Mysterious Island; American Waterfront; Mermaid Lagoon; Mediterranean Harbor; and Arabian Coast.

Check out their website (English)
http://www.tokyodisneyresort.co.jp/en/tds/index.html

FIELD TRIP DESCRIPTIONS

Yokohama Sea Paradise
(Week 3 / 8:30 - 16:30 Tuesday, 5 July)

Yokohama Hakkeijima Sea Paradise is a leisure land surrounded by nature. It is located at the tip of Yokohama Bay and is a new generation style amusement park. It is the home of one of Japan's top aquariums.

Check out their website (English)
http://www.seaparadise.co.jp/english/

National Museum of Nature and Science
(Week 3 / 8:30 - 16:30 Thursday, 7 July)

National Museum of Nature and Science is a comprehensive science museum; such as earth, life, science and technology. The main building is located in Ueno, Tokyo, and there are several branches in Tokyo & Ibaraki. (We will go to the main building)

Check out their website (English)
http://www.kahaku.go.jp/english/
